FCT PhD
PROGRAMMES

DAEPHYS 2017 School on

Scientific Instrumentation Technologies and their Fundaments

The School will be followed by the 3rd DAEPHYS PhD Student Workshop where the participants will have the opportunity to present their thesis project or research work.

Both events are also opened to PhD students of other related PhD Programs and last year Master's students.

Faculdade de Ciências da Universidade de Lisboa
School: 18-20 July, 2017; Workshop: 21 July, 2017
