

Welcome to the

6th IDPASC/LIP PhD Students Workshop
25-27 June 2020

The background of the slide is a vibrant, multi-colored cosmic scene. It features a dense network of thin, intersecting lines in shades of blue, purple, and yellow, resembling a complex web or a neural network. A bright, multi-pointed starburst or lens flare is positioned in the lower-middle section, casting a glow across the surrounding space. The background is filled with numerous small, distant stars and nebulae, creating a rich, textured appearance.

Welcome to the 6th IDPASC/LIP Students Workshop!

- Please upload your slides before your session – you need to register in
- And please turn your camera on if you are speaking – just nicer!
- Share your slides during your presentation using the “share” facility in Zoom
 - Or ask you session convener to share the slides
- Slide session: check out the video and use the link to a separate Zoom meeting to talk to the author
- Vote on your preference for the Career Development talk:
<https://doodle.com/poll/8g6yu8tausv42wqp>
- Have a look at the instructions posted here:
https://indico.lip.pt/event/699/contributions/2449/attachments/2036/2739/Quiz_instructions.pdf

Have a great workshop!
